I request the group insurance shown on this application. To the best of my knowledge and belief, (a) I am eligible for such insurance, and (b) the statements I have made are true and complete. I understand that New York Life has the right to require additional information and, if necessary, an examination by a physician. I ask New York Life to rely on all such statements made on this form, and any supplements to it, while considering this request. I also understand that the coverage afforded will be in consideration of the answers and statements set forth above and that any material misstatements or failures to report information material to the risk may be used as the basis for rescission of my insurance subject to the incontestable period provision of the policy.

I understand that: (a) Insurance will become effective on the first day of the month following the date approved by New York Life if I and my approved spouse are actively performing the normal activities of a person in good health of like age [For NC residents: a person of like age] on that date and the initial contribution is paid within 31 days after the date I am billed; (b) any person who is not performing such duties/activities as required will not become insured until the day he/she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible for insurance, and (c) benefits will not be payable for up to two years for losses due to a disease or condition which I or my spouse now have or have had in the past and which are not disclosed on this form.

AUTHORIZATION: I authorize disclosure of the types of information detailed in this AUTHORIZATION, for New York Life's use in considering this request for coverage. I have read the IMPORTANT NOTICE, which describes how New York Life underwrites this request for coverage, including how information is exchanged with MIB (Medical Information Bureau). My request for coverage will not be accepted unless this AUTHORIZATION is signed.

I authorize any physician, medical practitioner, hospital, medical or medically related facility, laboratories, insurance company or MIB to release prescription drug records and related information maintained by physicians, pharmacy benefit managers, and other sources of information to New York Life Insurance Company, its subsidiaries or the Endowment about the physical and mental health of any persons proposed for insurance, including significant history, findings, diagnosis or treatment, but excluding psychotherapy notes. MIB and other insurance companies may also furnish New York Life, its subsidiaries or the Endowment with non-medical information (such as driving records, any criminal activity or association, hazardous sport or aviation activity, use of alcohol or drugs, and other applications for insurance). I understand that the information provided may include information that may predate the time frame stated on the medical questions section of this application. I also understand and agree that this information may be used during the underwriting and claims processes, where permitted by law.

New York Life may release information covered by this AUTHORIZATION to the plan administrator, MIB, other insurance companies and to others whom I authorize in writing. However, this will not be done in connection with information concerning Acquired Immune Deficiency Syndrome (AIDS). This AUTHORIZATION may be used for a period of 24 months from the date signed below unless sooner revoked. I may revoke this AUTHORIZATION at any time by notifying the Endowment in writing at the address given on this form. My revocation will not be effective to the extent New York Life or any other person already has disclosed or collected information or taken other action in reliance on it, or to the extent that New York Life has a legal right to contest a claim under an insurance certificate or the certificate itself. A photocopy of this AUTHORIZATION and request form shall be as valid as the original. I acknowledge that I or my authorized agent may request a copy of this signed AUTHORIZATION.
