When comparing rates, please keep in mind that although not promised or guaranteed, this plan is designed to generate dividends that an insured may donate to support ABE's charitable grants. If you do so, you are eligible for a charitable contribution deduction on your individual tax return. Please see Assignment of Dividends for further details.

The rates shown are the rates New York Life currently charges and reflect the current benefit structure. The cost of this life insurance is based upon the member and spouse/DP's gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date the application is postmarked.

* Only non-smokers meeting the highest underwriting standards may qualify for the Preferred Rates. Other non-smokers may qualify for the Select rates, higher but still competitive. Approved smokers would qualify for the Standard rates only. Standard rates are shown here. Contact ABE for Preferred or Select rates. Upon approval of your application, you will be notified of the rate classification for each approved person. Premium rates will vary depending on the option chosen.

Each quarterly premium covers all eligible dependent children regardless of number.

When comparing rates, please keep in mind that although not promised or guaranteed, this plan is designed to generate dividends that an insured may donate to support ABE's charitable grants. If you do so, you are eligible for a charitable contribution deduction on your individual tax return. Please see Assignment of Dividends for further details.

The rates shown are the rates New York Life currently charges and reflect the current benefit structure. The cost of this life insurance is based upon the member and spouse/DP's gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date the application is postmarked.

* Only non-smokers meeting the highest underwriting standards may qualify for the Preferred Rates. Other non-smokers may qualify for the Select rates, higher but still compeititive. Approved smokers would qualify for the Standard rates only. Select rates are shown here. Contact ABE for Preferred or Standard rates. Upon approval of your application, you will be notified of the rate classification for each approved person. Premium rates will vary depending on the option chosen.

Premiums for coverage over \$500,000 are guaranteed to remain level for the first 20 years of coverage. Premiums for coverage through $\$ 500,000$ are not guaranteed but are expected to remain level. Please see "Lock In Your Economical Group Rate..." in Plan Brochure for options at the completion of the term of guaranteed rates.
