LONG-TERM DISABILITY

ABE-Sponsored Long-Term Disability Insurance

YOU'LL ENJOY WORTHWHILE BENEFITS — COMMENSURATE WITH YOUR PROFESSION

A disability could potentially destroy your way of life. It can take away many things you've achieved through your profession—all the things you've enjoyed at your income level. The ABE Long-Term Disability Insurance can insure you and your family against such a loss. Since your income is the basis of your lifestyle, protect it with this coverage.

MEMBERS CAN INSURE INCOME UP THROUGH \$12,000/MONTH

Bar Association Members¹ residing in the U.S (excluding NH, NV, VT) and Puerto Rico, under age 65, who are actively working full-time can apply for up through \$12,000 a month in disability income benefits, depending on current income. Benefits are available in \$100 increments, with a 30, 60, 90, 180 or 365-day waiting period. Total disability benefits (including any other disability coverage you may have) may not exceed the lesser of \$20,000 or 66 2/3% of your basic monthly pay for benefit amounts through \$7,500 (60% for monthly benefits over \$7,500).

SPOUSE/DOMESTIC PARTNER COVERAGE OPTION

Your Spouse/Domestic Partner (DP) under age 65 who is actively working full-time for at least 30 hours per week may apply for monthly disability income benefits in increments of \$100, up through \$5,000 a month. The 66 2/3% limitation also applies to your Spouse/DP. Spouse/DP's coverage is limited to 9 times the Member's monthly benefit. Members must be insured to insure their Spouse/DP. If both you and your Spouse/DP are Bar Association Members¹, you may both apply for separate Member coverage, but if you apply separately you may not also insure each other as a Spouse/DP on your coverage. Spouses/DPs also have a choice of waiting periods: 90, 180, or 365 days. Please see page 4 for Spouse/DP rates.

DEFINITION OF DISABILITY

Benefits are paid directly to you for disabilities due to a covered sickness or injury. Benefits begin on the day after the chosen waiting period of 30, 60, 90, 180, or 365 days for Members and 90, 180, or 365 days for Spouse/DPs. Full benefits are payable up to age 65 if you are completely unable to perform the material duties of your regular occupation (for the first 5 years, including your particular specialty of law, if applicable) and are under the regular care of a physician. (Specialty of law provision is not applicable to Spouse/DP coverage.) Benefits will be paid up to age 65 for total disabilities beginning prior to age 63 (except for total disabilities due to mental disorder, which limits benefits to two years or 12 months for such a disability occurring after age 69). If the disability begins on or after your 63rd birthday, but before your 70th, benefits are payable for up to two years if the disability continues for that period. If the disability begins on or after your 70th but before your 75th birthday, benefits will be payable for up to 12 months if the disability continues for that period.

"SPECIALITY OF LAW" COVERAGE

Unlike many other disability policies available today, ABE-sponsored Long Term Disability Insurance specifies that when you are totally disabled and completely unable to perform the material duties of your regular occupation, including your specific law specialty (for the first five years) you may receive full benefits for a disabling sickness or injury (except for disabilities due to mental disorder for which benefits are limited to two years or 12 months for disabilities occurring after age 69). Even if you are able to perform the duties of another occupation or specialty, you can still collect benefits. After the initial five years, an inability to perform any occupation for which you are reasonably qualified by education, training or experience. Specialty of law provision is not applicable to Spouse/DP coverage.

¹ The terms "Bar Association Member" and "Member" when used herein mean a practicing lawyer who is a member of the American Bar Association (ABA) or any entity that is represented in the ABA's House of Delegates, including state and many local and specialty bar associations. COST OF LIVING ADJUSTMENT (COLA) OPTION

If you become totally disabled, the COLA benefit will help your benefits keep pace with inflation by increasing your chosen monthly benefit by 3% per year for up to five years (e.g., with a \$3,000 monthly benefit, \$90 would be added each year to your monthly benefit for a total benefit of \$3,450 after the fifth increase). The first 3% increase would occur at the end of your first full, continuous year receiving total disability benefits, and then annually for up to four years thereafter. The COLA benefit will cease when you are no longer totally disabled.

WHEN YOUR INSURANCE BECOMES EFFECTIVE

Once your application is approved and your first premium received, with no change in your health or insurability, your coverage becomes effective on the first day of the following month, providing you are actively working full-time.

YOU CAN CHOOSE THE WAITING PERIOD TO SAVE PREMIUM

ABE-sponsored Long-Term Disability Insurance also allows you to choose when you want to begin to receive your benefits. Select waiting periods of 30, 60, 90, 180, or 365 days for Members, and 90, 180, or 365 days for Spouses/DPs. The waiting period begins on the first day of total disability occurring after the effective date. Benefits are payable the day after the chosen waiting period has been satisfied. The length of waiting period has a significant effect on the cost of coverage — the longer the waiting-period, the lower the premium.

PARTIAL DISABILITY BENEFITS

If you are no longer totally disabled, and are able to return to work on a part-time basis, you will be paid partial disability as follows:

% of Pre-Disability Earnings	% of Monthly Disability Benefits Paid
1-10%	100%
11-50%	50%
51-70%	25%
71% and over	0%

Note: Amounts which do not fall within the percentages stated above for pre-disability earnings will be rounded to the nearest percentage.

The partial disability must begin within 31 days after a total disability from which you received benefits. This benefit will continue for up to 24 months providing the partial disability is the direct result of an injury or illness that caused the total disability. Partial disability benefits are counted toward any maximum-benefit period.

WAIVER OF PREMIUM

Premiums that come due while an insured is disabled and collecting monthly disability benefits will be waived.

CAREGIVER BENEFIT

At no added cost, this feature provides up to one month of benefits to care for a close family member with a Serious Health Condition. The Health Condition must be certified by the family member's licensed attending physician. One benefit per close family member and a maximum of two benefits within any 5-year period are permitted.

LAW SCHOOL LOAN REPAYMENT

A benefit option that provides a benefit of up to \$200,000 to cover your law school student loans should you become permanently, totally disabled prior to age 45. Insured Members under the age of 40 are eligible to apply.

ADDED HOSPITAL BENEFITS

When hospitalized while receiving benefits for permanently, totally disabled, you collect an additional 50% of your monthly benefit for up to 3 full months for each covered accident or sickness, excluding the following: facilities which primarily provide custodial, educational or rehabilitative care.

YOUR BENEFITS ARE TAX FREE

Under current federal income tax laws, disability income benefits are usually non-taxable if you personally pay the premiums. Be sure to contact your tax advisor.

YOUR RIGHT TO RENEW

Your coverage is renewable as long as you stay employed full-time, are under age 75, the group policy stays in effect, you are a Bar Association Member (as defined on page 1), and premiums are paid when due. Because this is a group policy, your coverage cannot be canceled on an individual basis.

BENEFITS FOR MENTAL, NERVOUS, OR EMOTIONAL DISORDER

If total or partial disability is due to a mental disorder, the maximum benefit period is two years (12 months if the disability occurs on or after age 69). "Mental Disorder" means a condition due to or relating from psychiatric or psychological conditions regardless of cause such as: schizophrenia, depression, manic depressive or bipolar illness, anxiety, personality disorders, and/or adjustment disorders or other conditions usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or other similar modalities used in the treatment of the above conditions.

EXCLUSIONS

This coverage does not provide benefits for: any disability that occurs during or is due or related to, intentionally self-inflicted injury while sane or insane; declared or undeclared war or any act thereof; military service; or your incarceration for or participation in (except as a victim) an illegal occupation/activity or the commission of a crime; disability for which the insured is not under the regular care of a doctor; or any impairment or disease specifically excluded from your coverage. Benefits due to Mental Disorder are limited to a maximum of 24 monthly payments.

HOW YOUR ASSIGNMENT OF DIVIDENDS TO ABE WORKS —THE UNIQUE CHARITABLE GIVING FEATURE OF ABE-SPONSORED INSURANCE

Founded by the ABA in 1942, the American Bar Endowment (ABE) is a §501(c)(3) not-for-profit public charity. ABE fulfills its charitable mission of improving the administration of justice, one of the profession's highest obligations, by making annual grants to support law-related research, public service, and educational projects and programs, including those conducted by the American Bar Association's Fund for Justice and Education (FJE) and the American Bar Foundation (ABF). ABE also makes Opportunity Grants to support boots-on-the-ground efforts to expand the availability of legal services to underserved communities. ABE maintains a Legal Legacy Fund for the permanent support of its grantees.

By participating in ABE's group insurance programs, designed for and available only to practicing lawyers and their families, you can contribute to these efforts. By enrolling in ABE-sponsored insurance programs, unless you notify the ABE otherwise pursuant to the procedures set forth below, **you agree to donate to ABE your share of any dividends payable on the group policies for ABE to use for its charitable purposes.** Donations of dividends to ABE are tax-deductible to the insured to the fullest extent permitted by law.

Your dividend donation to ABE makes a difference. These funds, after administrative expenses, are a significant source of ABE's charitable grants and additions to the Legal Legacy Fund. Insureds who donate their dividends help meet their professional and public responsibilities, as well as obtaining valuable coverage for their families. About 83% of insured lawyers donate their dividends.

Insureds are notified each year by late January of the amount, if any, of their dividend for the prior year that has been donated to ABE. (Dividends are not guaranteed, and in any given year, a given policy may not pay a dividend; dividends will vary from year to year.)

If you do not want to donate your dividend to ABE, you must request a "refund" of your dividend as follows: any time after the first policy year of your participation, for each year that you want a refund of your dividend, ABE must receive a written request from you for refund (by mail or email to dividends@abendowment.org), by as early as January 1 but not later December 15 of the year for which a refund is requested. ABE will send confirmation of any request received, and you should retain that confirmation for your records as proof that your refund request was timely received. If you do not receive a confirmation within 3 weeks of sending a request to ABE, please contact the ABE. (Special instructions for new applicants are contained in the application and apply to any dividends earned during the first policy year only.) The approximate percentage of premium available for refund (if any) on each ABE-sponsored insurance policy will be published in each December/January issue of the ABA Journal and on ABE's website each October. You do not need to wait for this information as refund requests are accepted beginning January 1.

Donation acknowledgments of your dividend, or dividend checks (if applicable), are mailed by late January the following year. If you receive a donation acknowledgment but you did not intend to donate your dividend to ABE, you may request a one-time waiver of the December 15 deadline by asking for a refund, if you have not previously requested such a waiver.

Please note: Insureds who do not want to contribute dividends to ABE must make a written request for refund each year, using the procedures above. When you sign the application for insurance, you are agreeing to donate your dividends unless you otherwise notify the ABE to request a refund. Do not sign the application if you do not agree with these procedures.

SCHEDULE OF PREMIUM FOR LAW SCHOOL LOAN REPAYMENT OPTIONS

MEMBER'S AGE	30-Day Waiting Period	60-Day Waiting Period	90-Day Waiting Period	180-Day Waiting Period	365-Day Waiting Period

Note: Insured Members under the age of 40 are eligible to apply with coverage available to individuals who are permanently, totally disabled prior to age 45.

How to Calculate Maximum Benefit Amount:

(Separate calculations must be made for Member and Spouse/DP)

\$ _____ Annual earned income (after business expenses)
 ÷ 18 *For benefits in excess of \$7,500 divide by 20*

= \$ _____

– \$ _____ Less monthly benefits from other Disability Insurance Policies (if any).

= \$ _____ Monthly Disability Benefits eligible to apply for
Spouse/DP benefit cannot exceed 9 times the Member's benefit

Benefits available in increments of \$100 up through a maximum of \$12,000 for Members and up to a maximum of \$5,000 for Spouses/DPs.

How to Calculate Premium Amount:

- Determine what monthly benefit amount you or your Spouse/DP are eligible to apply for and divide this amount by 100.
- Find the premium on the chart for your or your Spouse/DP's current age and multiply that amount by the answer to the calculation in #1 above. This is the amount of the monthly premium and COLA.

EXAMPLE: A 39-year-old Member is applying for a monthly benefit of \$1,200 with a 90-day waiting period, with COLA.

$\$1,200 \div 100 = 12 \times \$1.68 = \$20.16$ quarterly premium

To pay monthly,* divide the quarterly premium by 3.

To pay semiannually, multiply the quarterly premium by 2.

To pay annually, multiply the quarterly premium by 4.

* Monthly billing only available with our ACH option (ABE Automatic Payment Plan).
