**When comparing rates**, please keep in mind that although not promised or guaranteed, this plan is designed to generate dividends that an insured may donate to support ABE's charitable grants. If you do so, you are eligible for a charitable contribution deduction to the fullest extent allowable by law on your individual tax return. *Please see "Assignment of Dividends" section on the previous page.*

- **Notes:** Premiums are based on member's age on the effective date of coverage, and increase on the November 1st on or next following a change in age, as shown.
- **Spouse/Domestic Partner's rates** are based on member's age; spouse's/DP's benefit cannot exceed member's benefit.
- **One payment** each due date insures ALL eligible dependent children, regardless of the number. Child(ren) benefit(s) cannot exceed 100% of member's benefit.

New York Life reserves the right to change rates on any November 1st, and on any date on which benefits are changed. However your rates may change only if they are changed for all others in the same class of insureds under this group policy. For example, a class of insureds is a group of people with all the same issue age and gender.

**\*BENEFIT REDUCTION SCHEDULE:** Member and spouse/domestic partner daily benefits reduce at member age 65 from \$500/day to \$313/day, from \$450/day to \$281/day, from \$400/day to \$250/day, from \$300/day to \$188/day, and from \$200/day to \$125/day. Benefit options are not guaranteed and are subject to change by agreement between New York Life and ABE.
