When it was built in 1986, The Charleston Place answered a call to be part of a larger, audacious vision for the city of Charleston — a catalyst for its revival and resurgence as a world class travel destination.

Designed to complement Charleston’s historic architecture, the hotel breathed new life into the city. Together with its restaurants, cocktail lounge, spa, and retail shops, The Charleston Place created jobs and won the hearts of locals, vacationers, corporate travelers, meeting planners, and wedding planners alike.

Now, as stewards of its stories, The Charleston Place hospitality team feel called to write their own. They believe that hospitality is a transformative art — that this “place” can do more than inspire and nurture its guests, team, and partners. It can inspire an entire city, country, and world.

Through elegant accommodations, delicious food and drink, numerous shopping options, restorative wellness services, and warm, generous hospitality, The Charleston Place stirs the senses and lives forever in the minds and souls of all who come to know her. Step out from your accommodations where delicious experiences await. From award-winning fine dining,

Lowcountry favorites, and handcrafted cocktails to casual poolside fare, gastropub cuisine, and must-have morning coffee and treats, delicious moments await you.

Located in the vibrant heart of historic downtown Charleston, The Charleston Place is just steps from some of the city's best independent shops, the City Market, antique stores, museums, historic sites, and art galleries. An array of local beaches, including Folly Beach, Sullivan's Island, Isle of Palms, Kiawah Island, and Seabrook Island are just minutes away.

The Charleston Place iconic lobby is thought of as Charleston's living room - an inviting, comforting space where all are welcome - where family, friends, kind strangers, and neighbors love to gather. Everywhere you look, something beautiful and interesting awaits.
