a spouse/DP on your coverage. Only one certificate can carry dependent children.) If you die, your spouse/DP and dependent children can continue coverage until the spouse/DP remarries or attains age 75, whichever comes first, or the child turns age 26. See "When Insurance Ends" on page 2.

WAIVER OF PREMIUM

This affordable option (available to members and spouses/DPs under 55) will help safeguard your coverage against loss of income due to a total disability by waiving premiums. (See "Exclusions and Limitations" on page 2.) With this feature if you or your spouse/DP (if insured for this option) become totally disabled before age 60, provide proof of total disability and remain so disabled for 180 days or longer, insurance on the disabled person will be continued without additional premium contributions until coverage terminates at age 75, as long as they remain totally disabled. You may be asked to provide evidence of continued total disability from time to time.

AFFORDABLE GROUP RATES FOR 10 YEARS

The ABE-sponsored 10-Year Level Term Life Insurance offers life insurance protection with premiums for coverage over \$500,000, that are guaranteed for an initial 10-year period. Premiums for coverage \$100,000 through \$500,000 are not guaranteed, but are expected to remain level for 10 years. Coverage never reduces due to age. Coverage terminates at age 75. You have two renewal options after the 10-year term ends: 1) After the initial term, coverage will automatically renew on a non-guaranteed basis without evidence of insurability until coverage ends at age 75. 2) You also have the option of applying for a new 10-year period if you are under age 65 and meet all eligibility criteria. Submission of satisfactory evidence of insurability will be required. Rates will be based on your attained age, health and smoking status.

ACCELERATED DEATH BENEFIT (LIVING BENEFIT)

To help your family cope with the financial hardship of a terminal illness, you can apply to receive 50% of the insured's total life insurance in force if diagnosed by a physician as terminally ill with a life expectancy of 24 months or less. The request must be made at least 12 months prior to the scheduled termination age, and the amount of insurance payable after the insured's death will be reduced by this payment. This benefit can be paid only once, and will reduce the insured's life insurance by such amount. Premiums are not reduced. (Receipt of these benefits may affect eligibility for public assistance programs and may be taxable. Before applying for these benefits, consult with the appropriate social service agency and a qualified tax advisor.)

VOLUME DISCOUNTS AVAILABLE

To make coverage even more affordable at higher benefit levels, increasing volume discounts apply to coverages of \$100,000 to \$240,000, \$250,000 to \$500,000, \$510,000 to \$990,000 and \$1,000,000 and over. Premiums will vary with the amount of benefits.

WHEN INSURANCE ENDS

You can't be singled out for cancellation. As long as you maintain your membership in the American Bar Association, make the required premium payments when due, and the 10-Year Level Term Life Insurance is not terminated by New York Life or ABE, you may continue your ABE 10-Year Level Term Life Insurance coverage until the May 31st on or next following your 75th birthday. Coverage for your dependents ceases upon the earliest of: termination of your coverage, or when your spouse/DP is no longer your lawful spouse/DP, your child marries or becomes an ABA member, or turns age 26.

CONVERSION PROVISION

If you should drop your ABA membership, or your coverage terminates involuntarily, you have the right to convert your *10-Year Level Term Life Insurance* to an individual policy — regardless of your health. Your Certificate of Insurance explains this privilege in detail. The right to convert does not apply if coverage terminates due to non-payment of premium.

EFFECTIVE DATE

Your 10-Year Level Term Life Insurance will go into effect on the first day of the month after your application is approved by New York Life, provided you pay your initial premium within 31 days after being billed and the proposed covered person is performing the normal activities of a person in good health of like age (For NC Residents: A person of like age) on the effective date. Coverage for your dependents, if approved, goes into effect when the member's coverage does. If any person proposed for insurance is not performing the normal activities of a person of like age on the date insurance would have taken effect, that person's insurance will not take effect until the day such person is performing his/her normal activities as required, provided that the new effective date is within 3 months of the original date and the person is still eligible. Dependent coverage will not become effective prior to the effective date of the member's insurance.

EXCLUSIONS AND LIMITATIONS:

After two years from the effective date, your coverage is incontestable, except for provisions related to eligibility and nonpayment of premium contributions. **HOW YOUR ASSIGNMENT OF DIVIDENDS WORKS
THE UNIQUE CHARITABLE GIVING FEATURE OF
ABE-SPONSORED INSURANCE**

Founded by the ABA in 1942, the American Bar Endowment (ABE) is a §501(c)(3) not-for-profit organization composed of members of the American Bar Association. **ABE fulfills its charitable purpose of improving the administration of justice, one of our profession’s highest obligations, by making annual grants to support legal research, public service and educational projects in the field of law, including those conducted by ABA’s Fund for Justice and Education (FJE) and the American Bar Foundation (ABF).** ABE also maintains the Legal Legacy Fund for the permanent support of its grantees. By participating in ABE’s group insurance programs, designed for and available only to ABA members, members can contribute to these efforts. **Members who enroll in ABE-sponsored insurance programs agree that their share of any dividends payable on the group policies may be retained by ABE for its charitable purposes unless reclaimed as outlined below. Donations of dividends to ABE are tax-deductible to such members to the fullest extent permitted by law as contributions under Section 170(c) of the Internal Revenue Code.**

Members who donate dividends to ABE make a difference. These funds, after administrative expenses, are the primary source of ABE’s charitable grants and additions to the Legal Legacy Fund. Insured members who donate their dividends help meet their professional and public responsibilities, as well as obtaining valuable coverage for their families. About 85% of members donate their dividends; these members are notified each year by late January of the amount, if any, of their dividend donation for the prior year. (Dividends are not guaranteed, and in any given year, a given policy may not pay a dividend; dividends will vary from year to year.)

Members who wish to request a refund of their dividends may do so. The approximate percentage of premium available for refund (if any) on each ABE-sponsored insurance will be published in each **December/January issue of the ABA Journal**. You do not need to wait for this information as refund requests are accepted beginning January 1. **To request that dividends be paid to you rather than donated to ABE:** After the first policy year of your participation, a written request for refund (by mail or email to dividends@abendowment.org) **must be made each year and must reach ABE by December 15.** When ABE receives your refund request, it will send a confirmation. Retain this for your records as proof your request was timely received. If you do not receive a confirmation within 3 weeks, contact the ABE promptly to obtain another copy. (**Special instructions for new applicants** are contained in the application and apply to dividends, if any, during the first policy year only.)

Dividend checks and/or contribution notices for your tax return are mailed by late January. If you receive a contribution notice and you did not intend to make a contribution, you may request a *one-time* waiver of the December 15 deadline by asking for a refund, if you have not previously requested such a waiver.

Please note: Members who do not want to contribute dividends to ABE must make a written request for refund each year, using the procedures above. When members sign the application, they are agreeing to make **an annual decision** whether to contribute. **Do not sign the application if you do not agree with these procedures.**

When comparing rates, please keep in mind that although not promised or guaranteed, this insurance is designed to generate dividends that an insured may donate to support ABE's charitable mission. If you do so, you are eligible for a charitable contribution deduction on your individual tax return. Please see "How Your Assignment of Dividends Works" on page 3 for further details.

The rates shown are the rates New York Life currently charges and reflect the current benefit structure. The cost of this life insurance is based upon the member and spouse/DP's gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date the application is postmarked.

* Only non-smokers meeting the highest underwriting standards may qualify for the Preferred Rates. Other non-smokers may qualify for the Select rates, higher but still competitive. Approved smokers would qualify for the Standard rates only. Preferred rates are shown here. Contact ABE for Select or Standard rates. Upon approval of your application, you will be notified of the rate classification for each approved person. Premium rates will vary depending on the option chosen.

Premiums for coverage over \$500,000 are guaranteed to remain level for the first 10 years of coverage. Premiums for coverage through \$500,000 are not guaranteed but are expected to remain level. Please see "Economic Group Rate..." on page 1 for options at the completion of the 10 year period.

Coverage terminates on the policy anniversary on or next following the insured's 75th birthday.

Premiums may vary due to rounding when billed.
