

**INSURANCE
EXCLUSIVELY**
for Bar Association Members¹

ABE-Sponsored 20-Year Level Term Life Insurance

Underwritten by New York Life Insurance Company

IMPORTANT FEATURES...

- Up through \$2,000,000 in pure life insurance protection
- 20 years of level premium
- Conversion privilege regardless of changes in health

COVERAGE FOR YOU

As long as you are a Bar Association Member¹, you may choose any benefit amount \$100,000 up through \$2,000,000 in \$10,000 increments. If you are under age 55 and reside in the United States, District of Columbia, Puerto Rico, or the U.S. Virgin Islands, you may apply for coverage. The total amount of coverage under all ABE-sponsored Group Life Insurance may not exceed \$2,000,000.

COVERAGE FOR YOUR FAMILY

Provided you are insured or applying for this coverage, you may choose to apply for any Spouse/Domestic Partner (DP) benefit amount from \$100,000 up through \$2,000,000 in \$10,000 increments (minimum of \$100,000). Your Spouse/DP must be under age 55, and Spouse/DP coverage cannot exceed 100% of your coverage. A Domestic Partner is defined as an eligible dependent. (The group policy provides the same benefits for parties to a Civil Union as are granted to a Spouse/DP in marriage, for residents of any state that so mandates such similar benefits.) You can also insure all unmarried, dependent children from 14 days through 25 years for up through \$25,000, in \$5,000 increments; a child may not be insured under more than one policy under all group life insurance policies issued by New York Life Insurance Company to the American Bar Endowment. (If both you and your Spouse/DP are Bar Association Members¹ you may both apply for separate Member coverage, but if you apply separately you may not also insure each other as a Spouse/DP on your coverage. Only one certificate can carry dependent children.) If you die, your Spouse/DP and dependent children can continue coverage until the Spouse/DP remarries or attains age 75, or the child marries, becomes an insured Bar Association Member, or turns age 26; premiums are paid when due; and the group policy remains in force. See "When Insurance Ends" on page 2.

WAIVER OF PREMIUM

This option (available to Members and Spouses/DPs under 55) will help safeguard your coverage against loss of income due to a total disability by waiving premiums. (See "Exclusions and Limitations" on page 2.) With this feature if you or your Spouse/DP (if insured for this option) become totally disabled before age 60, provide proof of total disability and remain so disabled for 180 days or longer, insurance on the disabled person will be continued without additional premium contributions until coverage terminates at age 75, as long as they remain totally disabled. You may be asked to provide evidence of continued total disability from time to time. *Please see rate chart on page 4.*

EXCLUSIVELY PRICED GROUP RATE FOR 20 YEARS

The ABE-sponsored 20-Year Level Term Life Insurance offers life insurance protection with premiums that are guaranteed for an initial 20-year period, and level amounts of insurance until termination at age 75. You have two renewal options after the 20-year term ends. 1) You can apply for a new 20-year term if you are under age 55 or a new 10-year term if you are under age 65, and still meet eligibility requirements. If your application is approved, your premium contributions will be based on your age, health, and smoking status at the time coverage becomes effective. 2) You can continue your existing coverage until you reach age 75, but on a non-guaranteed rate basis, under which premium contributions increase as you age. Under this option, you are not subject to medical underwriting requirements.

¹ The terms "Bar Association Member" and "Member" when used herein mean a practicing lawyer who is a member of the American Bar Association (ABA) or any entity that is represented in the ABA's House of Delegates, including state and many local and specialty bar associations. A list of all such entities is available at <https://abendowment.org/resources>.

ACCELERATED DEATH BENEFIT (LIVING BENEFIT)

To help your family cope with the financial hardship of a terminal illness, you can apply to receive 50% of the insured's total life insurance in force if diagnosed by a physician as terminally ill with a life expectancy of 24 months or less. The request must be made at least 12 months prior to the scheduled termination age, and the amount of insurance payable after the insured's death will be reduced by this payment. This benefit can be paid only once, and will reduce the insured's life insurance by such amount. Premiums are not reduced. (Receipt of these benefits may affect eligibility for public assistance programs and may be taxable. Before applying for these benefits, consult with the appropriate social service agency and a qualified tax advisor.)

VOLUME DISCOUNTS AVAILABLE

Volume discounts are available at higher benefit levels. Increasing volume discounts apply to coverages of \$100,000 through \$240,000, \$250,000 through \$500,000, \$510,000 through \$990,000 and \$1,000,000 and over. Premiums will vary with the amount of benefits.

WHEN INSURANCE ENDS

You can't be singled out for cancellation. As long as you remain a Bar Association Member (as defined on page 1), make the required premium payments when due, and the 20-Year Level Term Life Insurance is not terminated by ABE or New York Life, you may continue your ABE 20-Year Level Term Life Insurance Coverage until the May 31st on or next following your 75th birthday. Coverage for your dependents ceases upon the earliest of: termination of your coverage, or when your Spouse/DP is no longer your lawful Spouse/DP, your child marries or becomes an insured Bar Association Member, or turns age 26.

CONVERSION PROVISION

Should you no longer qualify as a Bar Association Member (as defined on page 1), or your coverage terminates involuntarily, you have the right to convert your *20-Year Level Term Life Insurance* to an individual policy — regardless of your health. Your Certificate of Insurance explains this privilege in detail. The right to convert does not apply if coverage terminates due to non-payment of premium.

EFFECTIVE DATE

Your 20-Year Level Term Life Insurance will go into effect on the first day of the month after your application is approved by New York Life, provided you pay your initial premium within 31 days after being billed and the proposed covered person is performing the normal activities of a person in good health of like age (for NC residents: of like age) on the effective date. Coverage for your dependents, if approved, goes into effect when the Member's coverage does. If any person proposed for insurance is not performing the normal activities of a person of like age on the date insurance would have taken effect, that person's insurance will not take effect until the day such person is performing his/her normal activities as required, provided that the new effective date is within 3 months of the original date and the person is still eligible. Dependent coverage will not become effective prior to the effective date of the Member's insurance.

If for any reason after you receive it, you are not fully satisfied, simply write "cancel" and return it within 30 days without claim. Your premium will be returned promptly and you will be under no further obligation.

EXCLUSIONS AND LIMITATIONS:

After two years from the effective date, your coverage is incontestable, except for provisions related to eligibility and nonpayment of premium contributions. Incontestability terms for your new certificate for a subsequent term of guaranteed rates are activated on the effective date of the new term of guaranteed rates. Benefits are payable for death from any cause except suicide during the first two years of the policy.

**HOW YOUR ASSIGNMENT OF DIVIDENDS
TO ABE WORKS – THE UNIQUE CHARITABLE GIVING
FEATURE OF ABE-SPONSORED INSURANCE**

Founded by the ABA in 1942, the American Bar Endowment (ABE) is a §501(c) (3) not-for-profit public charity. ABE fulfills its charitable mission of improving the administration of justice, one of the profession’s highest obligations, by making annual grants to support law-related research, public service, and educational projects and programs, including those conducted by the American Bar Association’s Fund for Justice and Education (FJE) and the American Bar Foundation (ABF). ABE also makes Opportunity Grants to support boots-on-the-ground efforts to expand the availability of legal services to underserved communities. ABE maintains a Legal Legacy Fund for the permanent support of its grantees.

By participating in ABE’s group insurance programs, designed for and available only to practicing lawyers and their families, you can contribute to these efforts. By enrolling in ABE-sponsored insurance programs, unless you notify the ABE otherwise pursuant to the procedures set forth below, **you agree to donate to ABE your share of any dividends payable on the group policies for ABE to use for its charitable purposes.** Donations of dividends to ABE are tax-deductible to the insured to the fullest extent permitted by law.

Your dividend donation to ABE makes a difference. These funds, after administrative expenses, are a significant source of ABE’s charitable grants and additions to the Legal Legacy Fund. Insureds who donate their dividends help meet their professional and public responsibilities, as well as obtaining valuable coverage for their families. About 83% of insured lawyers donate their dividends.

Insureds are notified each year by late January of the amount, if any, of their dividend for the prior year that has been donated to ABE. (Dividends are not guaranteed, and in any given year, a given policy may not pay a dividend; dividends will vary from year to year.)

If you do not want to donate your dividend to ABE, you must request a “refund” of your dividend as follows: any time after the first policy year of your participation, for each year that you want a refund of your dividend, ABE must receive a written request from you for refund (by mail or email to dividends@abendowment.org), by as early as January 1 but not later December 15 of the year for which a refund is requested. ABE will send confirmation of any request received, and you should retain that confirmation for your records as proof that your refund request was timely received. If you do not receive a confirmation within 3 weeks of sending a request to ABE, please contact the ABE. (Special instructions for new applicants are contained in the application and apply to any dividends earned during the first policy year only.) The approximate percentage of premium available for refund (if any) on each ABE-sponsored insurance policy will be published in each December/January issue of the ABA Journal and on ABE’s website each October. You do not need to wait for this information as refund requests are accepted beginning January 1.

Donation acknowledgments of your dividend, or dividend checks (if applicable), are mailed by late January the following year. If you receive a donation acknowledgment but you did not intend to donate your dividend to ABE, you may request a one-time waiver of the December 15 deadline by asking for a refund, if you have not previously requested such a waiver.

Please note: Insureds who do not want to contribute dividends to ABE must make a written request for refund each year, using the procedures above. When you sign the application for insurance, you are agreeing to donate your dividends unless you otherwise notify the ABE to request a refund. Do not sign the application if you do not agree with these procedures.

When comparing rates, please keep in mind that although not promised or guaranteed, this insurance is designed to generate dividends that an insured may donate to support ABE's charitable mission. If you do so, you are eligible for a charitable contribution deduction on your individual tax return to the fullest extent permitted by law. Please see "How Your Assignment of Dividends Works" on page 3 for further details.

The rates shown are the rates New York Life currently charges and reflect the current benefit structure. The cost of this life insurance is based upon the Member and Spouse/DP's gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date the application is postmarked.

* Only non-smokers meeting the highest underwriting standards may qualify for the Preferred Rates. Other non-smokers may qualify for the Select rates, higher but still competitive. Approved smokers would qualify for the Standard rates only. Preferred rates are shown here. Contact ABE for Select or Standard rates. Upon approval of your application, you will be notified of the rate classification for each approved person. Premium rates will vary depending on the option chosen.

Premiums are guaranteed to remain level for the first 20 years of coverage. Please see "Exclusively Priced Group Rate..." on page 1 for options at the completion of the term of guaranteed rates.

Coverage terminates on the policy anniversary on or next following the insured's 75th birthday.

Premiums may vary due to rounding when billed.

MONTANA RESIDENTS: "Male" rates apply to all individuals regardless of sex.
