## ABE-Sponsored Mid-Term Disability Insurance Plan

### YOU'LL ENJOY WORTHWHILE BENEFITS — COMMENSURATE WITH YOUR PROFESSION

A disability could potentially destroy your way of life. It can take away many things you've achieved through your profession—all the things you've enjoyed at your income level. The ABE Mid-Term Disability Plan can insure you and your family against such a loss. Since your income is the basis of your lifestyle, protect it with ABE-sponsored Mid-Term Disability Insurance.

### MEMBERS CAN INSURE INCOME UP TO \$12,000/MONTH

ABA members residing in the U.S. (excluding NH, NV, OH, VT) and Puerto Rico, under age 65, who are actively working full-time can apply for up to \$12,000 a month in disability income benefits, depending on current income. Benefits are available in \$100 increments, with a 14, 30, 60, 90, or 180-day waiting period. Total disability benefits (including any other disability plan you may have) may not exceed the lesser of \$20,000 or 66 2/3% of your basic monthly pay for benefit amounts through \$7,500 (60% for monthly benefits over \$7,500).

### SPOUSE/DOMESTIC PARTNER PLAN OPTION

Your spouse/domestic partner (DP) under age 65 who is actively working full-time for at least 30 hours per week may apply for monthly disability income benefits in increments of \$100, up to \$5,000 a month. The 66 2/3% limitation noted previously also applies to your spouse/DP. Spouse/DP coverage is limited to 9 times the member's monthly benefit. Members must be insured to insure their spouse/DP. If both you and your spouse/DP are ABA members, you may both

apply for separate member coverage, but if you apply separately you may not also insure each other as a spouse/DP on your coverage. Spouse/DP also have a choice of waiting periods: 90 or 180 days.

### DEFINITION OF DISABILITY

Benefits are paid directly to you for disabilities due to a covered sickness or injury. Benefits begin on the day after the chosen waiting period of 14, 30, 60, 90, or 180 days for members and 90 or 180 days for spouse/DPs. Full benefits are payable up to five years if you are completely unable to perform the material duties of your regular occupation including your particular specialty of law, if applicable, due to a disabling accident or injury. (Specialty of law provision is not applicable to spouse/DP coverage.) If total disability is the result of a covered sickness, benefits are payable for up to two full years (except total disabilities due to mental disorder which limits benefits to one year). Benefits for a disability occurring after your 70<sup>th</sup> birthday will be payable for one year.

### "SPECIALTY OF LAW" COVERAGE

Unlike many other disability plans available today, this plan specifies that when you are totally disabled and completely unable to perform the material duties of your regular occupation, including your specific law specialty, you may receive full benefits for a disabling sickness or injury for 5 years (except for disabilities due to mental disorder for which benefits are limited to 2 years or 12 months for disabilities occurring after age 69). Even if you are able to perform the duties of another occupation or specialty, you can still collect benefits.

Mid-Term Disability Insurance Plan is a group insurance plan, meaning coverage is issued to an ABA member under a Certificate of Insurance; it is not provided under an individual policy, nor is it employer/ employee insurance. **WHEN YOUR INSURANCE BECOMES EFFECTIVE**

Once your application is approved and your first premium received, with no change in your health or insurability, your coverage becomes effective on the first day of the following month, providing you are actively working full-time.

**YOU CAN CHOOSE THE WAITING PERIOD TO SAVE PREMIUM**

The ABE Mid-Term Disability Plan also allows you to choose when you want to begin to receive your benefits. Select waiting periods of 14, 30, 60, 90, or 180 days for members, and 90 or 180 days for spouses/DPs. The waiting period begins on the first day of total disability occurring after the effective date. Benefits are payable the day after the chosen waiting period has been satisfied.

**PARTIAL DISABILITY BENEFITS**

If you are no longer totally disabled, and are able to return to work on a part-time basis, you will be paid partial disability as follows:

<b>% of Pre-Disability Earnings</b>	<b>% of Monthly Disability Benefits Paid</b>
1-10%	100%
11-50%	50%
51-70%	25%
71% and over	0%

Note: Amounts which do not fall within the percentages stated above for pre-disability earnings will be rounded to the nearest percentage.

The partial disability must begin within 31 days after a total disability from which you received benefits. This benefit will continue for up to 6 months providing the partial disability is the direct result of an injury or illness that caused the total disability. Partial disability benefits are counted toward any maximum-benefit period.

**ADDED HOSPITAL BENEFITS**

When hospitalized for disability, you collect an additional 50% of your monthly benefit for up to 3 full months for each covered accident or sickness, excluding the following: facilities which primarily provide custodial, educational or rehabilitative care.

**WAIVER OF PREMIUM**

Premiums that come due while an insured is disabled and collecting monthly disability benefits will be waived.

**YOUR BENEFITS ARE TAX FREE**

Under current federal income tax laws, permanently, totally disabled income benefits are usually non-taxable if you personally pay the premiums. Be sure to contact your tax advisor.

**YOUR RIGHT TO RENEW**

Your coverage is renewable as long as you stay employed full-time, are under age 75, the group policy stays in effect, you maintain your ABA membership, and premiums are paid when due. Because this is a group policy, your coverage cannot be cancelled on an individual basis.

**BENEFITS FOR MENTAL, NERVOUS, OR EMOTIONAL DISORDER**

If total or partial disability is due to a mental disorder, the maximum benefit period is one year. "Mental Disorder" means a condition due to or relating from psychiatric or psychological conditions regardless of cause such as: schizophrenia, depression, manic-depressive or bipolar illness, anxiety, personality disorders, and/or adjustment disorders or other conditions usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or other similar modalities used in the treatment of the above conditions.

**EXCLUSIONS**

This plan does not provide benefits for: any disability that occurs during or is due or related to intentionally self-inflicted injury while sane or insane; declared or undeclared war or any act thereof; military service; or your incarceration for or participating in (except as a victim) an illegal occupation/activity or the commission of a crime; or any impairment or disease specifically excluded from your coverage. This plan limits benefits due to Mental Disorder to a maximum of 12 monthly payments.

### HOW YOUR ASSIGNMENT OF DIVIDENDS WORKS YOUR PLAN'S UNIQUE CHARITABLE GIVING FEATURE

Founded by the ABA in 1942, the American Bar Endowment (ABE) is a §501(c) (3) not-for-profit organization composed of members of the American Bar Association. **ABE fulfills its charitable purpose of improving the administration of justice, one of the profession's highest obligations, by making annual grants to support legal research, public service and educational projects in the field of law, including those conducted by ABA's Fund for Justice and Education (FJE) and the American Bar Foundation (ABF).** ABE also maintains the Legal Legacy Fund for the support of its grantees. By participating in ABE's group insurance programs, designed for and available only to ABA members, members can contribute to these efforts. **Members who enroll in ABE-sponsored insurance programs agree that their share of any dividends payable on the group policies may be retained by ABE for its charitable purposes unless reclaimed as outlined below. Donations of dividends to ABE are tax-deductible to such members to the fullest extent permitted by law as contributions under Section 170(c) of the Internal Revenue Code.**

**Members who donate dividends to ABE make a difference.** These funds, after administrative expenses, are the primary source of ABE's charitable grants and additions to the Legal Legacy Fund. Insured members who donate their dividends help meet their professional and public responsibilities, as well as obtaining valuable coverage for their families. About 85% of members donate their dividends; these members are notified each year by late January of the amount, if any, of their dividend donation for the prior year. (Dividends are not guaranteed, and in any given year, a given plan may not pay a dividend; dividends will vary from year to year.)

**Members who wish to request a refund of their dividends may do so.** The approximate percentage of premium available for refund (if any) on each plan will be published in each **November issue of the ABA Journal**. You do not need to wait for this information as refund requests are accepted beginning January 1. **To request that dividends be paid to you rather than donated to ABE:** After the first policy year of your participation, a written request for refund (by mail or email to [dividends@abendowment.org](mailto:dividends@abendowment.org)) **must be made each year and must reach ABE by December 15.** When ABE receives your refund request, it will send a confirmation. Retain this for your records as proof your request was timely received. If you do not receive a confirmation within 3 weeks, contact the ABE promptly to obtain another copy. **(Special instructions for new applicants** are contained in the application and apply to dividends, if any, during the first policy year only.)

Dividend checks and/or contribution notices for your tax return are mailed by late January. If you receive a contribution notice and you did not intend to make a contribution, you may request a *one-time* waiver of the December 15 deadline by asking for a refund, if you have not previously requested such a waiver.

**Please note:** Members who do not want to contribute dividends to ABE must make a written request for refund each year, using the procedures above. When members sign the application, they are agreeing to make **an annual decision** whether to contribute. **Do not sign the application if you do not agree with these procedures.**

### How to Calculate Maximum Benefit Amount:

(Separate calculations must be made for member and spouse)

\$ \_\_\_\_\_ Annual earned income (after business expenses)  
 ÷ 18 *For benefits in excess of \$7,500 divide by 20*

= \$ \_\_\_\_\_

– \$ \_\_\_\_\_ Less monthly benefits from other Disability  
 Insurance Policies (if any).

= \$ \_\_\_\_\_ Monthly Disability Benefits eligible to apply for  
*Spouse benefit cannot exceed 9 times the member's benefit*

Benefits available in increments of \$100 up to a maximum of \$12,000 for members and up to a maximum of \$5,000 for spouses.

### How to Calculate Premium Amount:

- Determine what monthly benefit amount you or your spouse are eligible to apply for and divide this amount by 100.
- Find the premium on the chart for your or your spouse's current age and multiply that amount by the answer to the calculation in #1 above. This is the amount of the quarterly premium.

**EXAMPLE:** A 39-year-old member is applying for a monthly benefit of \$1,200 with a 90-day waiting period.

$\$1,200 \div 100 = 12 \times \$1.12 = \$13.44$  quarterly premium

To pay monthly,\* divide the quarterly premium by 3.

To pay semiannually multiply the quarterly premium by 2.

To pay annually multiply the quarterly premium by 4.

\* Monthly billing available only with our ACH option (ABE Automatic Payment Plan).
