1 If no class (primary or contingent) for a beneficiary is indicated, the beneficiary will be considered primary. For each class of beneficiaries, all shares (percentages) must add up to 100%. Unless shares are stated otherwise, benefits will be distributed equally among all surviving beneficiaries in the same class (primary or contingent). If a primary beneficiary dies before the insured, that portion of the benefits will be equally distributed to the surviving primary beneficiaries; if no primary beneficiaries survive the insured, benefits will be paid to the surviving contingent beneficiary(ies) in the next class. If no contingent beneficiaries survive the insured, benefits will be distributed as provided in the Group Policy.

NOTICE REGARDING DESIGNATING A MINOR BENEFICIARY

Unless a UTMA/UGMA designation is used, or there is an existing court appointed guardian of the minor's estate who can make financial decisions for the minor, a claims payment to a minor may be delayed until a surviving parent, relative, or other interested party obtains a court appointment as *financial* guardian of the minor's estate, for the purpose of receiving the proceeds on behalf of the child.

NOTICE REGARDING TESTAMENTARY TRUST UNDER LAST WILL AND TESTAMENT AS BENEFICIARY

The following is understood and agreed when naming a Testamentary Trust under the Last Will and Testament as beneficiary of a specified decedent (Insured Member or non-insured owner).

Proceeds shall be paid to the named contingent beneficiary if the decedent dies intestate (without a Last Will and Testament), or with a Last Will and Testament but (1) it does not create a Trust and name a Trustee or (2) no court proceeding has been started to probate the Last Will and Testament or no Trustee qualifies and claims the proceeds within 12 months (18 in Mississippi, New York, Texas; 6 months in Florida and North Carolina) after the decedent's death. If the named contingent beneficiary is not living, and no further beneficiary is named, payment shall be made in accordance with the Group Policy.

New York Life is not obligated to inquire about the terms of any Trust affecting this policy or its proceeds, and shall not be held responsible for knowing the terms of any such Trust.

Payment to and receipt by said Trustee(s) or any successor Trustee(s), or payment to and receipt by the contingent beneficiary or insured's estate shall constitute a full discharge and releases the New York Life Insurance Company to the extent of such payment. The full discharge and release of the New York Life Insurance Company's obligation for payment applies to all persons and fiduciaries having any interest in such proceeds.

NOTICE REGARDING NON-INSURED OWNER

A non-insured owner who wishes to name a person other than themselves as beneficiary should do so only after receiving advice from their Counsel as to the possible tax consequences in light of existing decisional law to the effect that, when the proceeds are paid to someone other than the non-insured owner, the proceeds constitute a taxable gift from the owner to the beneficiary at the time of the insured's death.

***Per Stirpes** means that any interest in a life insurance policy that a deceased beneficiary would have, if living, will be shared equally by all living children of that deceased beneficiary.
